

Lesson 6: Interpreting Histograms

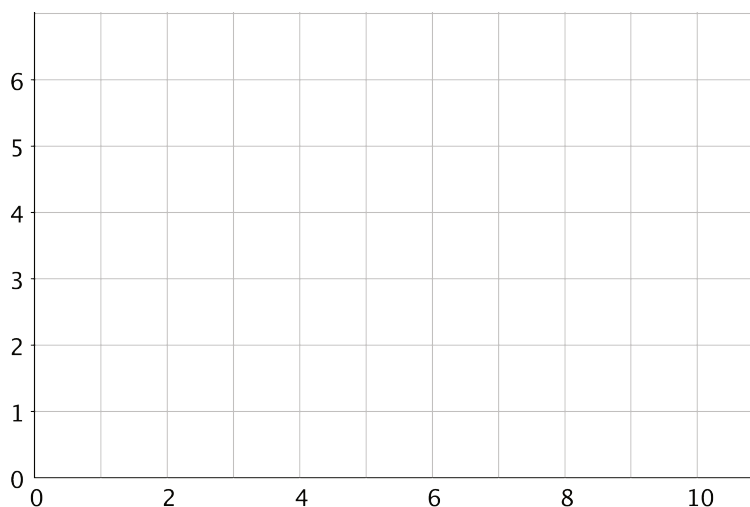

Cool Down: Rain in Miami

Here is the average amount of rainfall, in inches, for each month in Miami, Florida.

month	rainfall (inches)	month	rainfall (inches)
January	1.61	July	6.5
February	2.24	August	8.9
March	2.99	September	9.84
April	3.14	October	6.34
May	5.35	November	3.27
June	9.69	December	2.05

1. Complete the frequency table and use it to make a histogram.

rainfall (inches)	frequency
0–2	
2–4	
4–6	
6–8	
8–10	

rainfall in inches

2. What is a typical amount of rainfall in one month in Miami?
