Lesson 14: Center Day 2

- Let's play games to practice adding and subtracting.

Warm-up: True or False: Expressions on Both Sides

Decide whether each statement is true or false.
Be prepared to explain your reasoning.

- $3 + 2 = 3 + 2$
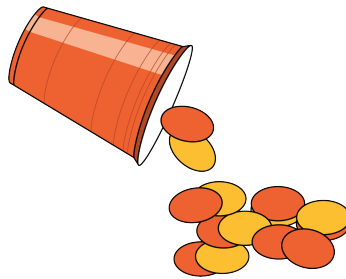

- $5 + 1 = 5 + 2$

- $4 + 6 = 3 + 7$

14.2: Centers: Choice Time

Choose a center.
